STOCKS RESUME DULL PROGRESS

Encouraging Development Over Week-end Fail to Help Board

NEW YORK, April 11.—The stock market today resumed its recent dull and hesitant characteristics, although domestic and foreign developments over the week-end were mostly of a more encouraging nature.

The local money market was distinctly lighter, however, call loans opening at 7 percent and holding at that rate throughout the session. This was attributed to the deficit in clearing house reserves as disclosed in last Saturday's bank statement.

Rails were under moderate pressure, some of the high class or investment shares were down 1/4 to 1/2 points. Conditions in that group were not improved by the further fractional decline of Pennsylvania to the new low record of 32 3/4.

Cotton, motor and many of the specialties comprising the food, apparel, leather and textile issues were higher at their best by one to nearly three points, with the latter displaying a better trend.

Much of this advantage was cancelled in the final hour when shorts raised the metals and equipments, Republic, Crucible, Bethlehem and Goldwin trading sharply and causing a heavy close. Sales amounted to 30,000 shares.

Exchanges on London were responsive to the better local outlook, closing 3 1/2 over last week's low points. All other European rates were stronger.

Dealings in bonds were light and mostly lower, liberty issues almost without exception closing at losses. Chinese railway 5's featured the foreign division, showing marked strength. Total sales par value \$6,350,000.

VALUE OF WHEAT HITS LOW POINT

Reports on Board Have Exporters Trying to Re-sell

CHICAGO, April 11.—Wheat dropped in value today to the lowest level since January, 1915, for May delivery. It was said exporters were trying to resell and that farmers were holding more freely to Illinois, Kansas and Nebraska.

The market closed heavy, 2 1/2 to 3 1/2 cents lower, with May 1922 at 1.12 1/2, and July 1924 at 1.10 1/2. Corn lost 1/4 to 1/2 cent, 5 1/2 to 5 3/4 cents and provisions 12 1/2 to 14 1/2 cents.

Only a transient slight upturn of prices in the wheat market resulted from the word wave of the last 48 hours. Buying quickly subsided when indications pointed to a change of any serious damage.

'Too Precocious' Was Hubby, Actress Says

"How did he lose his job as a flapjack artist?" "He believed too strongly in art for art's sake."

Beatrice Noyes, NEW YORK, April 11.—Beatrice Noyes, actress, who quit a divorce from Donald Gallagher, youthful leading man, says her husband is too precocious.

At the age of nine Donald was a leading man on Broadway. He was then the featured player in "A Mountain Boy."
